FUN DRUMMING WORKSHOPS FOR SCHOOLS

PRICES AND DAY STRUCTURE

We offer a 9-4pm day with however many sessions you can fit in your own school day. We send two instructors and have a fast-paced workshop where the children learn a piece they can perform together as a group and we make a video of it for the school.

To help concentration and to have fun we break up the time with drumrobics, body percussion, rhythm games and we can also perform drum pieces for the children.

Workshop Fee: We charge €500 for a day like that locally, if we are travelling for over an hour from Knocknacarra, Galway (H9IXC60) we need to charge travel costs.

Bring it outdoors: We have a 54m² gazebo that houses 30 students for rental at €250 per visit.

Travel Costs: €10 per half hour fuel costs and €10 per hour per facilitator travel time.

A sample quote for a school one hour away would be as follows:
€500 Workshop
€80 diesel (return trip)
€20 travel time per facilitator x 2 = €80
Total €660

DRUMS DAY STRUCTURE

Structuring the day all depends on your class size and structure.

From experience our workshops are not as effective if the numbers go over 25 in a group.

Spacing and engagement become an issue.

Timings:

Here is how we set out the timings:
All times are approximated and can be varied, we are flexible.

Option 1: 3 x two hour workshops (9-11, 11.10-13.10, 13.45-15.45)
Option 2: 4 x one and a half hour workshops: (9-10.30, 10.45-12.15, 12.30-2, 2.30-4).
Option 3: 5 x one-hour workshops (children don't get much out of one hour)
Option 4: 2 x three hour workshops. This is the best option for sure if you can afford it.
